ESMOND AGHAROVBOKHAN

WEB DEVELOPER

SUMMARY

I'm Esmond Agharovbokhan, a passionate and detail-oriented web developer with a keen eye for creating dynamic and user-friendly websites. I thrive on turning ideas into digital realities and enjoy the challenge of crafting a unique and responsive website. I have been working for more than one year now as a software developer with experience and skills in several web technologies that help create powerful, user-friendly websites. I also enjoy alongside other developers and stakeholders, which makes me thrive in collaborative environments
